

MEMORABLE MOMENTS IN NATURE

## How to prepare your Evening Adventure

Alpine Nature Experience offers exclusive and adventurous nights in the snow. To make sure your adventure stays memorable in a good way, we encourage you to follow a few simple steps to prepare your evening with us. Please share this with your group.

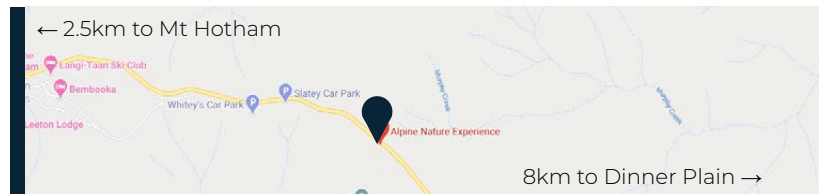

### How To Find Us?

Where: Wire Plain car park

Meeting point: In front of the ski shelter.

GPS Co-ordinates: -36.996383 ; 147.17474

[Google Maps](#)

### What Is The Plan?

June-July 4:30pm, August-September 5pm: Meet at Wire Plain car park (Bus stop Number 12)

- 30 min Snowshoe walk (450m) for all fitness level.
- Heart-warming glass of Glühwein or hot chocolate by the fire on arrival at the Eco-Village.
- Three course dinner including a French fondue masterclass. Snowshoe to Fondue usually finishes around 9:00pm and no later than 11:30pm.
- Igloo to Skidoo guests will then wave the group goodbye and settle in their Snowdome for a cozy night looking at the stars from the warmth of their bed. A hot breakfast is provided the next morning in the tipi.
- The next morning, you will be picked up by Skidoo and enjoy a scenic ride back to the wire plain car park.

### How To Dress? What To Bring?

During the adventure we may be exposed to all sorts of weather, please dress accordingly. Activities in the snow alternate between moments of high warmth (effort) and rapid cool down. We recommend to use a multi-layer approach to avoid being too hot or too cold.

**The key to stay comfortable is to stay dry, for this reason avoid cotton as much as possible.**

## Make Sure You Bring:

**Snowshoe to Fondue:** Waterproof jacket, hat or beanie, scarf, gloves, warm socks, waterproof shoes appropriate to walk in, warm clothes.

**Igloo to Skidoo:** All the above plus, toothbrush, warm sleeping attire, a dry change of clothes, extra socks and, a little backpack to fit it all in. Don't forget your swimming costume for the Onsen if you've booked this package!

## What to Expect at the Eco-Village?

Our Eco-Village is set-up in the wilderness of Hotham. Everything is carried in and out by hand to reduce our impact on the fragile alpine environment. We are completely off the grid, but for your comfort the Eco-Village are able to offer the following services:

- Dry toilets
- Hand washing facilities
- Limited Power
- Warm drinks
- Credit card payment
- Fully licenced (limited list)
- Heated Tipi
- The best French fondue!

*Please note, due to the nature of the experience only vegan, dairy free and gluten free dietary requirements are available on request, at an extra cost. Make sure you specify this when booking. We won't be able to accommodate last minute requests. For the same reasons we are unable to provide a different menu for children.*

## What is Included?

### Snowshoe to Cheese fondue

- Snowshoes and headtorch
- Guided snowshoe tour – 30 minutes with stories and inside knowledge on French and Australian Alps history
- Glass of heart-warming, home-made Gluhwein (hot spiced red wine) by the fire
- 3 course dinner including home-made soup, French Cheese Fondue and, cake

### Igloo to Skidoo

- Exclusive accommodation in heated snow-domes with sky views
- Comfortable bedding: real mattress, bed linen, pillow, fur blanket, fleece liner and -10°C sleeping bag
- A hot cooked breakfast, plus real barista coffee, tea and hot chocolate
- Scenic skidoo tour on departure

## Never Been to the Snow Before?

Please visit <https://www.mthotham.com.au/discover/explore/getting-here> for information on how get here, prepare your stay and, purchase your resort entry. When driving to a Victorian Alpine Resort, carrying chains is a mandatory legal requirement. We recommend hiring these from **Hoys in Harrietville or Omeo**. Mt Hotham is full of fun activities. Check out <http://alpinenatureexperience.com.au/friends> for suggestions that we highly recommend!
